### **NRHA Approved Classes:**

All NRHA classes, including both aged events and ancillary classes, will be awarded trophies based on NRHA guidelines - Lawsons, Morrisons, Pewters and Plaques. All pay-outs will be calculated using NRHA payback schedule "A" unless otherwise noted. Futurity horses may be shown either one handed or two handed in any legal bridle (and may not change hands or switch from one to two hands). Derby and Maturity horses are to be shown one handed.

### **GWRHA Classes:**

Membership in the GWRHA is **not** required to enter GWRHA classes. Two GWRHA "schooling" classes will be held on Thursday (Ladies & Gents, Slate #1), three schooling classes on Friday (Stallions, Mares and Geldings) and two schooling classes on Saturday (Ladies & Gents, Slate #2). These GWRHA schooling classes can be shown in any legal bridle using either one or two hands (classes started one-handed must be shown one-handed throughout and classes started two-handed must be shown two-handed throughout). These classes will have "Jackpot" payouts and will have prizes awarded for 1st through 5th places. The combined high point (Slate #1 plus Slate #2 scores) Ladies class winner and the combined high point Gents class winner will each be awarded a special "Shootout" prize. These GWRHA "schooling" classes will be run in the outdoor arena. The \$6 per run video fee charge does not apply to classes run in the outdoor arena.

### **"Schooling":**

Contestants are expected to run the designated NRHA pattern number assigned to each class however deviations from the designated pattern are allowed in the above mentioned GWRHA "schooling" classes. As a courtesy to the judges, contestants intending to school their horses in the GWRHA "schooling" classes should make their intention to school obvious to the judge at the beginning of their run. Schooling runs shall not exceed five minutes of arena time.

### **Futurity/Derby/Maturity Entries & Draws:**

Futurity horses may be shown either one handed or two handed in any legal bridle (and may not change hands or switch from one to two hands). Derby and Maturity horses are to be shown one handed. All Futurity/Derby/Maturity entries must enter up one level (e.g. Level 1 entries must also enter the Level 2 class, Level 2 entries must also enter the Level 4 class). A Draw Party will be held at 10:00AM on the day of the classes (Friday and Saturday) for the Futurity and Derby classes. The Maturity classes will be drawn by the show secretary at 10:00AM on Thursday. Additional Futurity/Derby/Maturity entries will continue to be accepted until the start of the of the classes however, once drawn, late additions will be the first to show.

### **Additional Draw and Class Scheduling Information:**

We anticipate that classes will be drawn at approximately 6:00PM on the evening before each show day (except for Futurity/Derby/Maturity classes). Class entries will continue to be accepted until the start of the classes however, once drawn, late additions will be the first to show. Note that NRHA regulations prohibit refunding of entry fees once drawn. The draw schedule for the main arena will take precedence over the draw schedule in the outdoor arena. Management, in its sole discretion, may alter the draw order in the outdoor arena to accommodate timing conflicts arising where a horse and/or rider is scheduled to show in both arenas. "Drag" periods are tentatively scheduled and may be altered from time-to-time after posting as deemed appropriate. Circumstances may arise wherein management may deem it necessary to limit the number of entries in any given class to maintain show schedule integrity. Management reserves the right to alter the show and arena schedules at any time as circumstances may require.
