We again thank the sponsors of the 2015 Low Roller Reining Classic for their support. The generosity of all those who contribute so willingly is key to the success of this show without which we would not be able to hold this event.

We are pleased to announce that the NRHA Northwest Affiliate Regional Championships will again be held in conjunction with the Low Roller Reining Classic at the Ford Idaho Horse Park in Nampa, Idaho for 2016 and again in 2017.

We are currently seeking your sponsorship and support for the 2016 Low Roller Reining Classic. With your generous support this year, the show will run for an entire week and we intend to again run two arenas simultaneously. We expect that there will be even more added money, games, awards, many more contestants and even more advertising and promotion for our sponsors.

Below are the levels of sponsorship available for this year's show. We are contacting you now in order to ensure that your sponsorship is acknowledged in the fliers and show promotion materials which will be produced shortly and will be distributed throughout the year. Remit your payment now or you can pledge your support (i.e. pay at a future date) by contacting Stephanie Porath at #208-390-0283. We hope to see you in Nampa at the 2016 Low Roller Reining Classic!
